# From Business Struggles To Effortless Profitability - Unveiling the Ultimate A to Z Strategy Guide

The only book you need to succeed in your strategic efforts - an all-in-one solution tailored for time-starved impact-driven brand owners and business professionals aiming for business visibility, longevity, and profitability while avoiding business-detrimental mistakes.

Approximately 50% of small businesses fail in the first three to five years, with around 80% of these failures attributed to branding and marketing issues. This critical period is known as a strategic planning period. In essence, businesses that neglect strategy and undervalue marketing knowledge will likely go bust.

In a world brimming with potential, too many companies stumble on the same basic errors - blinded by ignorance, swayed by fleeting trends, or shackled by immediate gains. These hidden pitfalls sabotage businesses, driving teams towards exhaustion and quiet quitting. Yet, the key to evading these pitfalls is remarkably within reach.

Authored by Erin Andrea Craske, an executive coach and formerly an award-winning strategic marketing executive, this guide distils two decades of in-depth knowledge of business strategy, profitability principles, and brand passion into a practical and comprehensive journey.

This essential book stands out in the midst of marketing noise, uniquely designed to equip brand owners with:

- The foundational principles of business, brand, marketing, launch, portfolio, and communication strategies;
- An easy-to-digest format, presenting information in a simple, down-to-earth, practical, and informal way.
- A blueprint that merges concise structure with skimmable design and powerful insights, blending theory, practical knowledge, research data, case studies, inspirational quotes, classic frameworks, and actionable steps.
- Strategic, psychological, and customer-centric wisdom, providing the mindset and skills necessary to navigate challenges.
- Coaching questions, research techniques, and the reasons 'why' behind recommendations, as well as common errors with mitigative actions.

Backed by 20 years of strategic business experience, an honours degree in high education, along with 16 years of coaching,

I HAPPENED TO WITNESS TOO MANY COMPANIES ENGAGING IN FIREFIGHTING AND, OFTEN, EGO-DRIVEN, CLUELESS TACTICAL MANAGEMENT. IT'S A SHAME THAT PEOPLE DON'T REALISE THAT RUNNING A BUSINESS STRATEGICALLY IS ACTUALLY MUCH EASIER, LET ALONE MORE SUSTAINABLE AND PROFITABLE. WRITING THIS STRATEGY GUIDE WASN'T ONLY ABOUT PROVIDING PRACTICAL KNOWLEDGE BUT ALSO ABOUT HELPING DEVELOP EMPATHY, GAIN STRATEGIC BUSINESS CONFIDENCE, AND BRING SATISFACTION FROM RUNNING A BUSINESS - ONLY A MERE FEW BENEFITS THAT HAVING A STRATEGY BRINGS.
